ORDER

Floyd Carl Wiltz, doing business as Expose Theater (appellant), filed this appeal from the automatic revocation, pursuant to Business and Professions Code §24048, of his on-sale beer and wine public premises license.

In another appeal by appellant, AB-6732, this Board granted the motion of the Department to dismiss the appeal as moot, having determined that appellant's license had been revoked automatically under the terms of Business and Professions Code §24048; that the automatic revocation was not an appealable

decision of the Department; that the revocation was effective on July 3, 1997; that appellant's attempted appeal of that revocation (which is the instant appeal) did not stay the effective date of the revocation; and that the automatic revocation made that appeal (AB-6732) moot.

On the basis of our determinations with regard to the motion to dismiss in AB-6732, we find that the present appeal is moot, and the appeal is dismissed.<sup>1</sup>
